

# KASP ADVOCACY DAY

## TOPEKA

March 16, 2010

School psychologists are a critical part of the school team that ensures quality, genuinely accessible education and mental health services for all students in Kansas. This is one of our state's most important responsibilities and wisest investments. With this in mind, please join KASP Board Members in advocating for Kansas children's education and mental health services.

Agenda:

- 8:00-8:45      Gather to discuss our plan and review talking points  
                    Ramada Inn Hotel/Restaurant  
                    420 SE 6<sup>th</sup> Avenue  
                    I-70 West, Exit 362B-E  
                    Topeka, Kansas
- 9-11:00        Topeka Capital Building to meet with Senators and Representatives
- 11:30-12:30   Re-meet for discussion to Ramada Inn

Taking points will be provided; however, you are encouraged to contact your local Senator and Representative to make appointments to meet personally with them that morning.

**Make plans now to join us in advocating for Kansas children**

If you have questions or need additional information, please contact a KASP board member
